
London Hairdressers Forum

Posted by Admin - 2008/02/12 21:44

Hi all and welcome to the new London Hairdressers website forum. We've split the forum in to two sections one where you can discuss hair salons and one where you can discuss hair styles.

We welcome salons helping website members with their hair problems or indeed responding to member experiences of salons.

Good Luck

Andrew

Hi friends, I have problem with my long hair style. I want to cut down to shorter length. Can any one provided me which hairstyle matches me? Actually i do not have any pic. I have round face and silky hair.

Watch out the difference between between normal hair ironing products and Instyler which has the tendency to rotate and other advanced features, Check out the features and differences here http://www.flatironnews.com/tv-curling-iron/TV_CURLING_IRON. If you wish you to be so stylish, just go for it .
